

# 1- YOUR "EXHIBITOR" BADGES

## ■ **Features of the exhibitor badge:**

- Individually named and produced for the company directly exhibiting,
- Required to access the trade show from June 9<sup>th</sup> to 12<sup>th</sup>, 2009,
- It is valid for the entire duration of the trade show,
- Allows you to access the exhibition area more than an hour before the public opening.

It is not possible to produce blank badges. Similarly, it is not possible to produce badges in the name of firms represented by a company exhibiting at the trade show.

**We would also remind you that "Exhibitor" badges are reserved for people manning stands.** For the trade show to run smoothly, other company employees visiting the show are asked to pre-register to obtain a visitor's badge.

## ■ **Number of badges per exhibitor:** 1 badge per 3m<sup>2</sup> unit.
