Tip

To have electricity outside of these times, don't forget to order a **supply with a permanent 24-hours-a-day connection, or a construction site connection*** allowing you to obtain the desired electrical power while you are dismantling after the permanent or intermittent supply has been switched off.

Please refer to the description of the Parc des Expositions on the website: www.viparis.com/epex

During the set-up period, truck access will be subject to special conditions.

Set-up:

Movement around the halls:

- ✘ No passenger vehicles may enter the halls
- ✘ Truck access will be subject to special conditions.

Empty packaging – Delivery of materials:

- ✘ Empty packaging must be **removed immediately and stored by exhibitors or their transporters.**
- ✘ **It is forbidden to clutter storerooms** with any packaging and goods which could act as fuel in the event of a fire.
